

FREE DINNER & A MOVIE

A THOUSAND WINDS: SURVIVAL STORIES

Cancer survivors and the loved ones of those who have passed away due to cancer gather to share stories of loss and hope with humor and spirit in this world-premiere play commissioned by Cancer Support Community (presented live in March of 2018).

Join us for *Dinner & a Movie* as we watch the video of the play and speak with Becky Franks, Cancer Support Community Director, about this special project.
